The undersigned author hereby grants *JCOMSS* permission to publish the paper referenced above in *JCOMSS* and warrants that it has not either been published or being offered elsewhere for publication. The undersigned author warrants that the work is original and that the co-authors contributed to the work. The undersigned author declares the power and authority to make and execute this assignment.

The JCOMSS recognizes that authors retain the following rights:

I. Copyright and grant the journal right of first publication with the work simultaneously licensed under the Creative Commons Attribution-NonCommercial 4.0 International (CC BY-NC 4.0) license that lets others remix, tweak, and build upon your work non-commercially, and although their new works must also acknowledge you and be non-commercial, they don't have to license their derivative works on the same terms.

II. Authors are permitted and encouraged to post their work online (e.g., on their websites or institutional repositories) prior to and during the submission process, as it can lead to productive exchanges, as well as earlier and greater citation of published work.

III. In the case the above paper is not accepted and published in JCOMSS or is withdrawn by the author(s) before acceptance, this agreement becomes immaterial.

The JCOMSS recognizes that authors are aware of the potential conflicts of interest.
For more information about the conflicts of interest policies, please visit JCOMSS publishing ethics.

☐ Corresponding author on behalf of all co-authors declares that there are no conflicts of interest regarding the publication of this paper.
